

**BEFORE THE TENNESSEE REGULATORY AUTHORITY
NASHVILLE, TENNESSEE**

JULY 29, 1999

IN RE:)	
TARIFF FILING BY ENTERGY ARKANSAS, INC.,)	DOCKET NO.
TO REVISE RATE SCHEDULE NO. 12, ALL NIGHT)	99-00039
OUTDOOR LIGHTING SERVICE)	

ORDER APPROVING TARIFF FILING

This matter came before the Tennessee Regulatory Authority (hereafter the "Authority") at a regularly scheduled Authority Conference held on February 16, 1999, for consideration of Entergy Arkansas, Inc.'s (hereafter "Entergy") tariff filing for approval of a revised Rate Schedule 12, All Night Outdoor Lighting Service (L4), which would make available additional outdoor lighting products to Entergy's customers.

Entergy is a public utility, with principal offices in Little Rock, Arkansas, engaged in furnishing electric power service to approximately 600,000 customers of which an estimated 70 are in Tennessee. On December 17, 1998, the Arkansas Public Service Commission (hereafter the "APSC") issued its Order No. 1 in Docket No. 98-340-TF approving the revisions to Rate Schedule No. 12 which Entergy filed with the APSC on December 15, 1998. A copy of the APSC Order is attached hereto as Exhibit 1.

After consideration and review of Entergy's tariff filing and other pertinent portions of the record, the Directors of the Authority unanimously approved Entergy's tariff filing.

IT IS THEREFORE ORDERED THAT:

1. The revised Rate Schedule 12, All Night Outdoor Lighting Service (L4), attached hereto as Exhibit 2, is approved as filed;
2. Any revisions to Rate Schedule 12 filed with the APSC shall be immediately filed with the Authority; and
3. Any party aggrieved by the Authority's decision in this matter may file a Petition for Reconsideration with the Authority within ten (10) days from the date of this Order.

ARKANSAS PUBLIC SERVICE COMMISSION

FILED

IN THE MATTER OF EAI RATE SCHEDULE NO.)
12 ALL NIGHT OUTDOOR LIGHTING SERVICE)

DOCKET NO. 98-340-TF
ORDER NO. 1

ORDER

On December 3, 1998, Entergy Arkansas, Inc. filed in this docket a proposed revised Rate Schedule No. 12. On December 15, 1998, the Company filed a revised Rate Schedule No. 12 and a revised Policy Schedule No. 13, Sheet Nos. P13.4.1, P13.4.2, and P13.4.3, to replace the previous filing of December 3, 1998.

By this tariff revision, the Company proposes to make available to its customers additional outdoor lighting products.

On December 16, 1998, Ms. Alice D. Wright, Audit Supervisor, Electric Utilities Section, on behalf of the General Staff of the Arkansas Public Service Commission, reviewed the proposed tariff revision and recommended approval.

Having considered the matter, and based on the recommendation of Ms. Wright, I find it to be in the public interest that the revision, as amended, be approved.

IT IS, THEREFORE, ORDERED:

That the tariff revision filed by Entergy Arkansas, Inc. in this docket on December 15, 1998, described hereinabove, is hereby approved. The tariff revision filed on December 3, 1998

is disapproved. The Secretary of the Commission is directed to close this docket and the record herein upon entry of this Order.

BY ORDER OF THE HEARING OFFICER PURSUANT TO DELEGATION.

This 17th day of December, 1998.

Bill Mattis (acting)
Jan Sanders
Secretary of the Commission

12.0. ALL NIGHT OUTDOOR LIGHTING SERVICE**12.1. APPLICABLE SERVICE AREA**

In all areas allocated by the Arkansas Public Service Commission ("APSC" or the "Commission") to Entergy Arkansas, Inc. ("EAI" or the "Company") for the provision of electric service, at any point on Company's existing facilities having adequate capacity and suitable voltage for delivery of service from the Company's interconnected system. This schedule may also apply outside the Company's allocated area to customers who have been released to EAI by other electric utilities, when such release for service has been approved by the Commission pursuant to Rule 7.04.(b) of the Commission's Rules of Practice and Procedure.

12.2. AVAILABILITY

(AT,CT)

To unmetered automatically controlled outdoor lighting service burning all night. Company will install, own, operate, and maintain Nightwatcher or Floodlight, including any necessary bulb replacements. All necessary normal service, maintenance and bulb replacements will be furnished at Company's expense within 72 hours after notice is given by Customer to Company's Customer Service Center at 1-800-ENTERGY or any superseding telephone number. The cost of unusual maintenance resulting from purposeful physical damage or vandalism shall be the responsibility of and billed to customer. If payment for such unusual maintenance is not made within the time period allowed in the Payment provision of this Rate Schedule the Agreement For All Night Outdoor Lighting Service shall be terminated and Company's facilities will be removed in accordance with Company's Policy Schedule No.7, All Night Outdoor Lighting Maintenance Policy, as filed with the APSC and as provided to Customer with Customer's copy of the Agreement For All Night Outdoor Lighting Service.

Not applicable for seasonal service. Applicable to temporary service when the Customer pays in advance of construction the estimated gross cost of providing, installing and removing the temporary facilities required to provide service less the estimated salvage value of such facilities upon removal.

12.3.3. Additional Facilities

(CT,AT,MT)

The rates in 12.3.1. and 12.3.2. are applicable only when a standard Nightwatcher or Floodlight is installed on an existing pole and connected to an existing secondary circuit. When Nightwatcher or Floodlight is not installed on existing facilities, an additional monthly facilities charge calculated by multiplying the monthly facilities charge rate found in Section 26.3. of Rate Schedule No. 26 times the estimated cost of any other additions to or rearrangement of existing facilities will be applicable. If Company installs non-standard equipment at the request of Customer, Customer will pay a non-refundable cash contribution-in-aid of construction equal to the additional cost of the non-standard equipment or an additional monthly facilities charge calculated by multiplying the additional cost of such non-standard equipment by the rate previously cited in this Section 12.3.3. New installations of poles and/or pole equipment listed in Section 12.3.4. below are not available as additional facilities after the effective date of this schedule but are available only pursuant to the provisions of Section 12.3.4 below.

12.3.4. Poles/Pole Equipment

(NR)

If there is no existing pole, Customer may choose from those listed below to the extent compatible with Customer's selection of fixture.

Rate Code	Pole or Pole Equipment	Monthly Price
P4a	30 foot Wood Pole (including supply line)	\$ 3.29
P4b	35 foot Wood Pole (including supply line)	\$ 4.02
P4c	30 foot Bronze-5" Square Pole (excluding supply line)**	\$ 8.53
P4d	28 foot Concrete Octagon Pole (excluding supply line)**	\$ 5.45
P4e	18 foot Fiberglass Round Pole(excluding supply line)**	\$ 2.68
P4f	39 foot Bronze Round Tapered Pole(excluding supply line)**	\$12.07
P4g	Plugged 4-way Bronze Adapter	\$ 1.95

** Includes internal 12/2 Romex or equivalent to connect fixture to underground secondary.

12.3.5 Minimum

(AT)

Where a one year contract period applies pursuant to Section 12.5. below the lighting facilities offered above shall have an initial one year contract term. If service is cancelled by Customer prior to the completion of such initial term Customer may be charged as a minimum, the appropriate Net Monthly Rate for the remaining number of months required to complete the initial twelve (12) month term of service.

12.3.6. Adjustments

(MT)

Applicable Riders which adjust this Rate Schedule are listed in Rate Schedule No. 17, Table of Riders Applicable to Rate Schedules. The kWh consumption to which the adjustments apply is the average monthly kWh based on 4,000 burning hours per year.

12.4. PAYMENT

(MT)

The monthly bill shall be computed in accordance with the Net Monthly Rate, other provisions of the rate schedule and all applicable riders. Customer shall have fourteen calendar days after the bill is mailed in which to make payment.

12.5. CONTRACT PERIOD

(AT,CT,MT)

Month to month unless additional facilities or rearrangements of existing facilities are required, if Customer requests Poles or Pole Equipment pursuant to Section 12.3.4. above or special conditions exist, in which case the contract period will be not less than one year in accordance with the provisions set out in the Agreement for All Night Outdoor Lighting Service. An example of the Agreement is shown in paragraph 13.4. of Policy Schedule No. 13. A written Agreement is required if facilities are installed at the request of Customer pursuant to Sections 12.3.3. or 12.3.4. above.

12.6. SERVICE REGULATIONS

(MT)

Service under this schedule is subject to Policy Schedule No. 9, Service Regulations, of the Company as it is now on file, and as it may in the future be filed, with the APSC, State of Arkansas, and the rules of the Commission.

13.4. Agreement for All Night Outdoor Lighting Service

This Agreement, made this ___ day of _____, 19___, between _____ ("Customer") located at _____, Arkansas, and Entergy Arkansas, Inc. ("EAI" or the "Company");

1. OBLIGATIONS

(RT)

Company shall supply, install and maintain on property located at _____ the hereinafter specified number of automatically controlled overhead lighting fixtures installed on wood poles, and Company shall deliver approximately 120 volt electric current thereto. Customer shall pay for such service in accordance with the terms and conditions hereinafter set forth and in accordance with the terms and conditions of Rate Schedule No. 12 and applicable Riders as Rate Schedule No. 12 and/or applicable Riders may be lawfully amended from time to time.

2. CHARGE

(CT)

Existing and newly installed Nightwatchers and their associated additional facilities, if any, and poles and pole equipment, if any, shall be billed at the monthly charges shown on Attachment A to this agreement.

3. MAINTENANCE

(MT)

All necessary normal service, maintenance and bulb replacements will be furnished at Company's expense within 72 hours after notice is given by customer. The cost of unusual maintenance resulting from purposeful physical damage or vandalism shall be the responsibility of and billed to customer. If payment for such unusual maintenance is not made within the time period allowed in the Payment provision of Rate Schedule No. 12 this Agreement shall be terminated and Company's facilities will be removed in accordance with Company's Policy Schedule No. 7 All Night Outdoor Lighting Service Maintenance Policy as filed with the APSC and as provided to Customer with Customer's copy of this Agreement.

4. OWNERSHIP OF FACILITIES

(MT)

The facilities installed by the Company in the performance of this Agreement shall remain the property of Company and Customer hereby grants to Company the right to enter and to use Customer's premises as it is necessary for the installation, maintenance and removal of such facilities.

5. LOCAL REGULATIONS

(CT, MT)

Where Nightwatchers for service hereunder are installed on Company facilities located along public streets or alleys, this contract is subject to any requirements of local municipal authorities.
